

CarController::CarController

```
graph LR; A[CarController::CarController] --> B[clamp]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'CarController::CarController'. The right box is white with a black border and contains the text 'clamp'. A blue arrow points from the right side of the gray box to the left side of the white box.
