

lap_timer.Timer.complete_lap

```
graph LR; A[lap_timer.Timer.complete_lap] --> B[lap_timer.format_duration]
```

A diagram showing a call from the `complete_lap` method of the `lap_timer.Timer` class to the `format_duration` method of the `lap_timer` module. The source method is highlighted in a gray box, and the target method is in a white box, connected by a blue arrow.

lap_timer.format_duration
